8 “(b) REPORTING AND REVIEW.—

9 “(1) SERIOUS ADVERSE DIETARY SUPPLEMENT

“(i) IN GENERAL.—The Secretary shall conduct a clinical evaluation of each serious adverse dietary supplement experience with a patient that is reported to the Secretary under subparagraph (A).

1                   may be) to cooperate with the evaluation  
 2                   makes it impracticable to conduct the eval-  
 3                   uation.

4                   “(2) PERIODIC ADVERSE DIETARY SUPPLEMENT  
 5           EXPERIENCE REPORTING.—A manufacturer of a die-  
 6           tary supplement shall annually (or at such shorter

19 the public health.

20 “(5) WAIVERS.—The Secretary may grant a  
21 waiver from the requirement of paragraph (1), (2),

7 “(c) POSTMARKET SURVEILLANCE.—

8 “(1) AUTHORITY TO REQUIRE SURVEIL-

 12 the Secretary determines that there is a reasonable

 14 supplement by a significant number of consumers  
 15 may result in serious adverse experiences.

16 “(2) SURVEILLANCE PLAN.—

17 “(A) IN GENERAL.—Not later than 30

6 DIETARY SUPPLEMENTS.—

7           “(1) IN GENERAL.—If a clinical evaluation by  
8           the Secretary of 1 or more serious adverse events in-

11          present a significant or unreasonable risk of illness,  
12          the Secretary may require the manufacturers of the  
13          dietary supplement, or of a dietary ingredient con-
